TOWN OF MOULTONBORO

WARRANT FOR ANNUAL TOWN MEETING

1941

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Moultonboro, in the County of Carroll, in said state, qualified to vote in Town affairs:

You are hereby notified to meet at the Town House, in said Moultonboro, on Tuesday, the 11th day of March 1941, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose by ballot and major vote, a Treasurer, Clerk, Tax Collector, one or more not exceeding three Highway Agents, three Auditors, one Selectman for three years, two Library Trustees for three years, one Trustee of the Trust Funds for three years, and such other Officers and Agents as the voters may deem necessary.

2. To raise and appropriate such sums of money as may be necessary to repair Highways and Bridges in said Town.

TOWN OF MOULTONBORO

3. To raise and appropriate the sum of \$2,997.00 for State Aid Construction.

4. To see if the Town will vote to allow a discount on taxes paid in full before August 1, 1941.

5. To see what action the Town will take relative to the establishment of a Municipal Court as provided by Chapter 323, Section 28 of the Public Laws of New Hampshire.

6. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the White Pine Blister Rust Control.

7. To see if the Town will vote to raise and appropriate the sum of \$200.00 to the Lakes Region Association of New Hampshire for the issuance and distribution of printed matter, newspaper and magazine advertising, calling attention to the resources and natural advantages of the Town, in cooperation with other towns in the Lakes Region.

8. To see what action the Town will vote to take to compile its Historical Data.

9. To see if the Town will authorize the Selectmen to accept from the State of New Hampshire, a parcel of land on the northerly end of Long Island to be used as a recreational area.

10. To see if the Town will vote to raise and appropriate the sum of \$300.00 to finish a narrow and dangerous curve in highway on Long Island, now in a hazardous condition. (Petition)

TOWN OF MOULTONBORO

11. To see what action the Town will take in regard to appropriating money for the Laconia and Huggins Hospitals.
12. To see what action the Town will vote to take in regard to Memorial Day.
13. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
14. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Dept.
15. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 for the Public Library.
16. To see what sum of money the Town will vote to raise and appropriate for the support of the poor.
17. To see if the Town will vote to raise and appropriate the sum of \$500.00 for the improvement of the lower Mountain Road.
18. To see if the Town will vote to construct a road to summer camps on Black Shore and raise and appropriate money for same.
19. To see if the Town will vote to authorize the Selectmen to accept a road for public use leading from Shaker Jerry Road to lands of William Raymond and others.

TOWN OF MOULTONBORO

20. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 22nd day of February, A. D., 1941.

CHARLES W. BANFIELD
HORACE L. RICHARDSON
ARTHUR B. BROWN

TOWN OF MOULTONBORO

WHITE PINE BLISTER RUST

White Pine Blister Rust control as conducted in this town during 1940 by the State Forestry & Recreation Department and the Federal Bureau of Entomology was a part of a nationwide program of protecting white pine growth from a bark disease, which, though not spectacular, represents a very serious menace to this tree if not controlled. Throughout the northeastern states, where white pine is especially important, counties, towns, cities, and individual owners have cooperate with State and Federal agencies. In the Far West, upon the National Forests and holdings of large lumber companies, Blister Rust Control is recognized as a necessary practice in growing white pine. Recently, the Federal Government reaffirmed and emphasized the need of White Pine Blister Rust control by the passage of an act authorizing financial assistance to such states as are carrying on control measures. All towns and their citizens are strongly urged to cooperate with the State and Federal governments in their efforts to maintain control of this destructive disease.

The following financial statement shows expenditures made in this town during 1940 for Blister Rust control by the agencies indicated. Persons interested in the detail of control work and the life history of Blister Rust may receive a circular by applying to the State Forester, Concord, N. H.

TOWN OF MOULTONBORO

LIBRARY REPORT

Volumes in library, Jan. 31, 1940	3,686
Books purchased	184
Volumes in library, Jan. 31, 1941	3,873

It is pleasing to note that many more readers are taking advantage of the fine selection of non-fiction books in the library. There are also twenty different magazine publications to choose from, all of which may be borrowed, excepting the current issues.

Our aim is to try and please readers of all types of literature, and borrowing from the State Library, the Bookmobile and the Public Library Commission makes this an easy and pleasant task.

The circulation of books and magazines as compared to the previous year is:

	1939	1940
Adult Fiction	1,411	1,993
Adult Non-fiction	342	1,031
Childrens Books	753	899
Magazines	302	500

School Report

TOWN OF MOULTONBORO

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Moultonboro qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 11th day of March 1941, at 3 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

TOWN OF MOULTONBORO

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the School Board in its annual report.
9. To see if the school district will vote to use a ballot similar to the Australian ballot for the election of District Officers. (By request)

Given under our hands at said Moultonboro this 24th day of February 1941.

TOWN OF MOULTONBORO

REPORT OF SUPERINTENDENT OF SCHOOLS

Safety Education :

The topic of education for safety, including prevention of highway accidents, fire prevention, and the practice of care in avoiding accidents at home and on the playground, has been a subject of special study at our teachers' meetings this year. In this field of teaching, the test of success seems to be a negative one if the lessons have been mastered, no accidents happen, and if our pupils look back in future years and see that the habits of care and watchfulness now being formed have helped to keep them out of danger, we can then feel that our educational program has been successful.

Education For Defense :

A wave of patriotic fervor is sweeping across our broad land. This spirit has encouraged some to enlist as soldiers, and others to go to school at night to develop their skill at various mechanical trades. The duty of our elementary schools, at this time, is to give boys and girls a better understanding of our democratic institutions, and to instil in their hearts a greater loyalty to our flag and the republic for which it stands. We must realize, young and old, that the greatest service to our country may not demand that we bear arms in her defense, but must require of each of us that measure of tolerance, of thoughtfulness of others, of self-sacrifice for the common good, and of intrinsic honesty that will make impossible the evils of greed and self-seeking that are the real dangers to our democracy.

What Our Schools Are Doing :

In the upper grades, Moultonboro Corner pupils have all cooperated in trying to make the school atmosphere a pleasant and happy one this year. They had a perfect

TOWN OF MOULTONBORO

attendance record during the first six weeks of school and since that time, have had an exceptional attendance record. Each one is striving to make this year as successful as possible.

Their school banking system has served as a challenge for the pupils toward establishing a 100 percent record which has been attained several times during the year.

A great deal of good wholesome fun has been obtained from the various playground activities. The boys enjoyed the fall term and are making preparation for a spring baseball team.

Another activity which has added to school enthusiasm was the publication of a school newspaper. This was an English project and portions of the paper were contributed by the different grades.

In the primary room, a special effort is made to make each child happy and teach them to play the game of life fair. They have paid a great deal of attention to reading, writing and the fundamentals. Their banking project has been an incentive to save a bit each week and to keep our 100% banner on the wall. The lessons on "Health," "Temperance," and "Safety" have been enjoyed by pupils and visitors.

The school has had special programs for parents and friends to enjoy and they have cooperated in a wonderful way. They have had 68 visitors to date January 21, not including visits by superintendent, music teacher, and nurse.

Greene's Corner School, though located at the intersection of two busy thoroughfares, is happy to report another year free from accident to any of its members on the highway. None of the eighteen pupils are transported by bus; a few ride bicycles, the majority walk, all but five return to their homes for dinner. Though they have no highway safety patrol, and no special days set apart as accident prevention days, effort is made at all times to stress the importance of safety. They sometimes forget and play in the triangle between the school and the filling station. Without fine consideration and cooperation on the part of the people who drive by the school serious accidents might easily occur.

TOWN OF MOULTONBORO

The school enjoyed a hike to the top of Red Hill on the last day of the spring term. The weather was ideal. The fire warden allowed pupils to climb up into the look-out tower at will. He explained his duties, and gave much information regarding the topography of the surrounding country. An exhilarating climb, the nearness to nature, an unsurpassed view, and a fine picnic lunch, including wieners roasted over the camp fire, were other contributing factors to a day well spent.

After sharing their lunch with the warden and his energetic little dog, the pupils took care of all refuse, extinguished the fire, and descended to the valley below. Mrs. Dorothy Vittum kindly helped to transport the pupils to the school at the foot of the trail. Parents contributed generously with food and drink for the picnic. Other pleasant occasions are also reported—a Halloween party and one at Christmas.

Early in the new year, Supt. Bushnell brought a motion picture and sound producing machine to the school and showed two interesting and educational films, one on South American ants and the other on wild animals. These were greatly enjoyed by all.

With the conviction that the three R's are still important and that many old methods will still work well, satisfactory progress in the fundamentals is reported. At the same time effort is made to correlate subject, to call attention to good radio programs, news items, stories, etc.

At Middle Neck School, eight grades started this school year; since October 16, there are seven grades. While the pupils do the different types of work suited to their various age levels, a characteristic worthy of emphasis is their ready effective cooperation in many common interests and activities. In health and nature, they are alert and enthusiastic. Everything in the good range of worthwhile phases of musical training brought to them by Miss Rhones is received with appreciation and eager response. Picture study is fruitful. Everyone finds his art products praised by friends, at the frequent wall displays. Among this winter's drawings is a long series of pictures on rural life and farm ani-

TOWN OF MOULTONBORO

mals, in which many strokes indicate intimate first-hand acquaintance with different scenes and animals. Memorized literary "gems" are recited in concert, with satisfaction. Current events are often read and discussed at general exercises.

The Halloween party kept to the spirit of that day, and the Valentine party has been looked forward to, of late. At the Christmas season, each individual enjoyed making his contributions to the customary and the unusual decorations of schoolroom and tree, and to the public program in which, with other things, he "acted well his part" in one of the two plays.

In addition to much spontaneous play at other times, ten minutes of the forenoon recess, daily all year, have been given by the entire group to one organized game. The outdoor playing space is ideal, and the movable seats and desks permit the schoolroom to become a real playroom on stormy days. At least twenty-five different games have been in favor. At present, the game oftenest chosen is an old one here called "Three Jolly Workmen."

This school is fortunate in being visited by parents and friends.

The Ambrose School enters a decorated car each year in the Sandwich Fair Parade for which \$10.00 is received. Each grade arranged a bouquet of flowers at the Fair for which they have received several prizes.

The school has added a victrola and radio to its equipment. The radio is used to get the news at noon and special programs for children as they appear. The victrola is used to practice folk dances, wand drills, marching, etc.

The school serves hot lunches during the winter months. All pupils take part in the preparation of these lunches. The materials are furnished by the parents and from money earned at the Fair.

A Thanksgiving dinner was served at the school this year. The desks were turned facing each other in such a way as to form a long table through the center of the room. All rules of etiquette were observed. Nancy Jean Severance, one of the pupils asked the blessing.

TOWN OF MOULTONBORO

Numerous birds and squirrels are fed daily. They are so tame that sometimes the children can feed them from their hands.

The school observes all holidays with appropriate exercises. We entertained fifty nine guests at our Christmas party. A group of the older pupils went out one evening before the Christmas holiday to sing carols. The people apparently enjoy this custom as we received several special invitations to sing this year.

The school has a rhythm band that has performed on several occasions for the Grange and other community programs.

The school is working on a special wood collecting project in connection with science. Mr. Dixon, the 4-H Club adviser, is helping with this work. They already have fifteen specimens and have hopes of obtaining several more.

The pupils filled a Red Cross Christmas box for some little refugee child.

The school has books from the Rural Lending Library at Plymouth as the children have read most of those from the local library.

Banking was instituted in this school in March 1939. The pupils are proud to say that since that date every child present in school has had a 100 percent banking record every week—an unbeaten record!

Conclusion :

In conclusion I wish to thank you, the members of the School Board, and our fellow citizens for the broad-minded interest and patience extended to the schools in our dealing with our very human problems. Our objective is to help children develop a responsible and sane attitude toward the problems of life in and out of school. In this matter the home has the greatest responsibility, and the general home cooperation with our work is in a large measure responsible for the success of the year.

Respectfully submitted,

ALMON W. BUSHNELL, Superintendent

TOWN OF MOULTONBORO

REPORT OF SCHOOL NURSE

1940-1941

This report is a summary of the work done by the school nurse from January 1, 1940 to January 1 1941.

Pupils examined	101
Visits to schools	41
Visits to homes	70
Business calls	27

Dr. Frank Lovering, the school physician, examined all the children. All children were measured once, and weighed several times during the year. Vision tests were made on all the children. Individual inspection on each pupil was done several times during the year.

Four pupils attended an eye clinic by Dr. J. A. Hunter of Dover, N. H. Eye examinations and lenses were prescribed and obtained for these children.

One pupil attended a mental hygiene clinic several times during the year, at Concord, N. H.

An excellent dental clinic was held on April 15th, and 16th, 1940. Dr. F. J. Deneault, of Meredith, did the work at special rates. A summary of the clinic shows 15 pupils were treated, with a total of 104 operations, being done. The clinic was financed through private funds, the Moultonboro Health Fund, and the Carroll County Commissioners.

I feel very strongly that some consideration of the school nurse's mileage must be considered very soon by each community that she serves. I serve the towns of Madison, Freedom, Effingham, Sandwich, Moultonboro, Center Harbor, Holderness, and New Hampton, (working in three supervisory unions). Transportation of pupils to all clinics was done by me, with two except-

TOWN OF MOULTONBORO

ions, in addition to my work as no volunteers would undertake this duty; consequently this mileage was added. My total mileage, for all the communities, for the year, was 9,559.5 miles. The upkeep on any car, plus running expenses and necessary insurance, necessitates that this question be seriously considered by each school board.

The cooperation of the superintendent, members of the school board, teachers and parents of the community has been very much appreciated.

Respectfully submitted,

RUTH E. ALLEN, R. N.
